**Subject** Letter no 220 dated the 14/16th April 1903 from the President of the Municipal Commission, Bangalore City, re the grant of an allowance to the President for doing Municipal

**Note**

Please see the Secretary's note of the 30th Jan. 1900 (flag B in F. 42-00, furnishing in brief the facts relating to the grant of an allowance to the Dy. Commissioner of the Bangalore District for doing the Municipal work as President.

2. Mr B. K Venkatarama Iyer was permitted to draw the allowance of Rs 150/- fixed for the President, with the observation that the Government would not

when the question of the financial Condition of the Municipality should come up before Government. (vide re 3755-6 dis 829 dt 10.9.00. Flag C). In re 8189 dis 1763 of the 17th Dec. 1900, Mr. B. Ke. Venkatesvaradier-par was informed that the Municipal allowance would cease from the date of his relieving Mr. Pattabhi-rajulu (vide Flag D in G.O. 17-99)

3. Government declines to sanction Mr. Madiah's claim of ₹ for an allowance as President of the Mayavaram Municipality in G.O. re 11195 (date) 1742.00 the 23rd Feb. 01 (vide re 5. Flag E in G.O. 1742-00)

4. Mr. Sparkes now reports that the duties of the President has of late increased very considerably, that when the new Extensions will be taken over by the Municipality the work will be increased still further that it is therefore just that the President should

be given an allowance, and that the Board are of opinion that in Consideration of the amount and nature of work involved the President should be given an allowance of Rs 150/- and hence in anticipation of the sanction of Govt made provision therefor in the Budget for 1902-03. In these circumstances sanction is sought to the Board's recommendation.

5. It is submitted that the financial Condition of the Municipality as per ensuing years Budget, even after disallowing this and similar other recommendations and reducing the provision for original works from Rs 24,700/- to Rs 9000/-, is as shown hereunder

(1) Opening balance = - 413
(2) Estimated receipts = 21,000
Total = 20,587
(3) Estimated expenditure = 20076
(4) Closing balance = 511 which

is less than the prescribed minimum by

or Rs 19409/-.

As the 2nd Councillor has directed that this and other papers connected with the Budget for the year 03-04 should be submitted to him with the Budget, the papers are accordingly re-submitted herewith.

It seems pretty plain that unless the allowance is sanctioned, the work is not likely to be supervised properly by the President

I do not think the Board has any right to deal with this matter. The allowance in question was discontinued several years back and I regret my inability to recommend its revival. In consequence of the improvement as a district of the whole work which has been done in Darjeeling has been given a 1st class by Engr whose pay is Rs 1200 - the entire administration is based of the legitimate work of the Darjeeling Division like this

reasonableness of his asking for any additional remuneration for attending but I fail to understand why that work when Clerks of Assize allowance is not given - Clerk to Justices

Sir,

I have the honor to State that in consideration of the fact that Bangalore is the largest Municipality in the Province, an allowance of Rs 150/- was being paid for several years past to the Ex-Officio Presidents and was continued to all the Deputy Commissioners successively down to Mr P. K. Venkatanarayana who was paid the same in 1901. For the past two years it has not

for some reason or other discontinued

The duties of the President has however increased very considerably in recent year and, when the new Extensions will be taken over by the Municipality, the work will increase still further It is therefore just that the President should be given an allowance The Board are of opinion that in consideration of the amount and nature of work involved, the President should be given the original allowance Rs 150/- and have in anticipation of sanction of Government made provision for the same in the Budget for ext year (1903-1904). I request you will be good enough to obtain sanction

of Government for this amount being

paid from Municipal Funds
